

200 Years since the Birth of FRIEDRICH ENGELS

On November 28, 2020, it will be 200 years since the birth of Friedrich Engels. Lenin in his article “Friedrich Engels,” wrote: “From 1845 to 1847 Engels lived in Brussels and Paris combining scientific work with practical activities among the German workers in Brussels and Paris. Here Marx and Engels established contact with the secret German Communist League, which commissioned them to expound the main principles of the socialism they had worked out. Thus arose the famous Manifesto of the Communist Party of Marx and Engels, published in 1848. This little booklet is worth whole volumes: to this day its spirit inspires and guides the entire organised and fighting proletariat of the civilised world.”
