

The PCE (-l) pays homage to Raul Marco

October 16 marks one year since the death of our comrade Raul Marco, and he was paid homage to in the Madrid Atheneum. The emblematic Hall of Acts in the Madrid Atheneum was filled to capacity, presided over by a picture of Raul Marco between the flags of the PCE(M-L) and the republican FRAP, and the shields of the Party, the Youth and the ICMLPO. Lola Val, Raul's partner and the poet and friend of Raul's, Carlos Alvarez, spoke. A message was read from Francisco Caraballo (founder of the Communist Party of Colombia (Marxist-Leninist)) and Nils Andersson, writer and expert in international politics, a Pablo Miranda of the Marxist-Leninist Communist Party of Ecuador, in the name of the Coordinating Committee of the ICMLPO of which Raul Marco was a firm driving force, spoke. Comrades of the Parties and organizations of France, Dominican Republic, Tunisia, Italy, Turkey, Morocco, Germany and the Polisario Front also spoke. The act ended with the speech of J. Romero of the Secretariat of the PCE(M-L) and the singing of the Internationale, with shouts of "may the comrade live in our memory" and "long live" the Party of which he was founder.
